Explanatory Statement

(Pursuant to Section 102 of the Companies Act, 2013)

Item Number-3

Your Company is contemplating further issuance of Equity shares, and in view thereof, the Company needs to have enough unissued Authorized Share Capital, so that the requisite number of fresh equity shares may be issued for the purpose of raising sufficient funds.

Presently, the Authorized Share Capital of the Company is Rs. 12,75,00,000/- (Rupees Twelve Crore Seventy Five Lakh) divided into 1,27,50,000 (One Crore Twenty Seven Lakh Fifty Thousand) Equity Shares of Rs. 10/- (Rupees Ten) each. The Board at its Meeting held on July 21, 2023, considered it desirable to increase the Authorized Share Capital of the Company to Rs. 16,00,00,000/- (Rupees Sixteen Crore Only) divided into 1,60,00,000 (One Crore Sixty Lakh) Equity Shares of Rs. 10/- (Rupees Ten) each by the creation of additional 32,50,000 (Thirty Two Lakh Fifty Thousand) Equity Shares of Rs.10/- (Rupees Ten) each to accommodate the fresh issuance of the shares of the Company.

Consequent upon the increase in authorized share capital as proposed, the existing Clause V of the Memorandum of Association of the Company will also have to be replaced. The draft amended Memorandum of Association will be available for inspection by Members at the website of the Company.

The provisions of the Companies Act require the Company to seek approval of the members for the increase in authorized share capital and for consequent alteration of the Capital Clause of the Memorandum of Association; accordingly, the Board recommends the resolution set forth in Item No. 1 for the approval of the members of the Company by way of an Ordinary Resolution.

None of the Directors or Key Managerial Personnel of the Company or their respective relatives are in any way concerned or interested, financially or otherwise in the said resolution except to the extent the shares may be allotted to them.

The consent of the members is, therefore, being sought for passing the resolution at items number 3 of the notice as an Ordinary Resolution.

Item Number-4

In view to optimum utilization of the available resources, your directors have decided to utilize the additional funds available with the Company in augmenting the long-term resources of the Company. The company manufactures terry towels for which cotton is the prime raw material. So, it is exposed to risk of variation in prices of cotton which being an agricultural product fluctuates violently many times. The major part of its products are exported and so, it is exposed to risk of currency fluctuation. DIRECTORS' REPORT

Dear Members,

Your Directors are pleased to present their 40th Annual Report on the affairs of the Company together with the Audited Accounts for the financial year ended on March 31, 2023.

FINANCIAL PERFORMANCE AND OUTLOOK

Rupees in Lakh

PARTICULARS	2022-2023	2021-2022
Income from Operations	17,557.60	26,110.29
Sale of Service	137.86	75.44
Other Income	83.37	46.48
Total	17,778.83	26,232.21
Profit before financial overheads and depreciation	1,614.03	1,928.95
Financial Overheads	441.15	353.86
Depreciation	391.70	368.60
Profit before Tax Exceptional and Extra-Ordinary Items	781.18	1,206.49
Exceptional and Extra-Ordinary Items	16.04	(4.45)
Profit before Tax	797.23	1,202.04
Current /Deferred Income Tax	184.80	306.50
Profit after Tax-available for appropriation	612.43	895.53
Basic Earnings Per Share	4.80	7.03

During the year, income of the company from operations decreased by 32.76% from Rs.26,110.29 Lakh to Rs.17,557.60 Lakh and profit after tax also decreased by 31.61% from Rs.895.53 Lakh to Rs.612.43 Lakh. The Company is carrying out business activities only in one segment. The main reason for decline in income and sales was that FY 2021-2022 saw an abnormally high increase in sales to the extent of 125.60% and increase in profit after tax of 65.18%. This abnormal increase was due to huge increase in pent up demand of the products of the company post COVID 19. During the FY 2022-23, the sales normalized. The recessionary trends in the export markets particularly the monetary tightening by the Central Banks also contributed to the slowdown in the demand.

Financial Statements of the Company have been prepared on IND-AS basis. There was no change in the nature of business of the company. Further, there has been no material change/commitment that occurred after March 31, 2023, until the date of this report affecting the financial position of the Company. The Company has complied with all the applicable provisions of the Companies Act, 2013, relevant Rules and Secretarial Standards. The Company has not revised its financial statement or Board's report in any of the three preceding financial year. The key financial ratios as on March 31, 2023 are given in the Corporate Governance Report. The Company has neither made any application during the financial year nor any proceeding is pending against the Company at the end of the financial year under the Insolvency and Bankruptcy Code, 2016. The Company has not entered into any one-time settlement with any bank during the financial year.

AUDITORS' CERTIFICATE CERTIFICATE FROM AUDITORS REGARDING COMPLIANCE OF CONDITION OF CORPORATE GOVERNANCE

To the Members of Ashnoor Textile Mills Limited

We have examined the compliance of conditions of Corporate Governance by Ashnoor Textile Mills Limited for the year ended on March 31, 2023, as stipulated in SEBI (Obligations and Disclosures Requirements) Regulation, 2015 (the Listing Regulations).

The Compliance of conditions of Corporate Governance is the responsibility of the management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the condition of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statement of the Company.

We have carried out an examination of relevant records of the Company in accordance with the "Guidance Note on Certification of Corporate Governance" issued by the Institute of Chartered Accountants of India (the ICAI), the Standard of Auditing specified in section 143(10) of the Companies Act, 2013, in so far as applicable for the purpose of this certificate and as per the "Guidance Note on Reports or Certificates for Special Purposes", issued by the ICAI, which required, enter-alia, that we comply with the ethical requirements of the Code of Ethics issued by ICAI.

In our opinion and to the best of our information and explanation given to us, we certify that the company has complied with the condition of Corporate Governance as stipulated in the above mentioned the Listing Regulations during the financial year ended March 31, 2023

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

ASHNOOR TEXTILE MILLS LIMITED

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

A. Business Overview of Ashnoor Textile Mills Limited (ATML)

Ashnoor Textile Mills Limited is engaged in the manufacture and export of terry towels. It has only one plant located at Gurugram. The company generates more than 75% of its income from operations through the export of its product to the USA. So, the business prospects of the company are dependent on global, particularly the economic conditions in the USA, as well as the Indian economy.

B. Industry Structure and Development

India's textile sector provides livelihoods to millions of households and has the second largest employer, employing more than 40 million workers. The textile sector, generating formal and productive jobs, has the potential for broader social transformation, generating exports and growth. The terry towels form an integral part of the home-textile segment. The demand for terry towels varies across the countries depending upon various factors like population, demographics, living style, economic status, and climatic conditions. In India, terry fabrics are manufactured mainly in decentralized handloom and power looms sectors and only 10-15% of total terry fabric production was produced in the organized sector. We are one of the prominent terry towel manufacturers in the organized sector. Most of the organized sector units are engaged in catering to the market of export and also the quality segment of domestic markets.

Europe and USA continue to be the prime markets for terry towels but Indian exporters of terry towels have a comparative disadvantage in exporting to Europe due to tariff protection given to exports from other countries like Pakistan, Turkey and Bangladesh. So, the main focus of the company is to concentrate on exporting to the USA. According to the US Offices of Textiles and Apparels data, India caters to about 45% of the total import of terry towels imported by the country. Indian exporters have been able to capture the share due to easy cotton availability and favorable labor conditions.

C. Opportunities and Threats and Future Outlook Global Economic Conditions

The company is engaged in the manufacture and export of terry towels which are used mainly in the hotel industry. After COVID-19, the demand-supply dynamics have undergone volatile changes. In the financial year 2022-2023, there was a slowdown in demand due to a cooling down of the pent-up demand seen post covid. The raw material (cotton) prices went to extraordinarily high levels in the first half of the FY 2022-2023 which led to very high production costs and a slowdown in demand in the second half of the last financial year. The effect of an increase in capacities by the Indian manufacturers post Covid to fulfill pent-up demand also aggravated the impact of the slowdown in demand. There is also potential fear of the impact of likely recession in FY 2023-2024 due to financial tightening by the central banks of the world. All these factors suggest that the demand recovery will be gradual although it is felt that the worst is over in the industry. During the last six months, the prices of cotton yarn have cooled down to normal levels which is a positive development. The overall impact of a mixture of good and bad factors is considered that will result in gradual improvement in the performance of the company.

ASHNOOR TEXTILE MILLS LIMITED

D. Segment Reporting

The company has only one segment of activity namely Terry Towels, as per the definition of “Segment” according to the Accounting Standard-17 issued by the Institute of Chartered Accountants of India. The company’s performance in the said segment has been discussed in detail in this report.

E. Risks and Concern

For towels, the export demand in India is mainly driven by the US, the largest market for terry towels and the company primarily caters to exports to the US. The volatility in raw material prices and exchange rate fluctuations is another risk that can turn both favorable and unfavorable. The macro conditions in terms of demand slowdown and apprehended recession is also a matter of concern.

F. Internal Control Systems and their Adequacy

The Company maintains adequate systems of internal controls to ensure that all assets are safeguarded against loss from unauthorized use or disposition. The Company’s policies, procedures, and guidelines are in place. The Company also has adequate procedures for internal financial controls to detect and prevent fraud and protect the Company’s resources. The financial statements are prepared in accordance with the accounting standards issued by the Institute of Chartered Accountants of India and a report on the Internal Financial Controls under clause (l) of sub-section (3) of Section 143 of the Companies Act, 2013 as given by the Independent Auditors and attached with Annual Report signifies that an adequate internal financial controls system over financial reporting is maintained and such financial controls over financial reporting were operating effectively as at March 31, 2023.

G. Financial and Operational Performance

During the year under review, the income of the company from operations decreased from Rs 261.10 crore in FY 2021-2022 to 175.57 crore in FY 2022-2023. The decline was due to a slowdown in the export markets due to monetary tightening by central banks and the cooling down of a sudden spurt in pent-up demand post-Covid 19. The profit after tax also reduced from Rs 895.53 crore in FY 2021-22 to Rs 612.43 crore in FY 2022-2023. The decline in profits was in line with the decline in sales. During the year the company has installed imported looms to further enhance its capacity. The said capital expenditure has been financed by internal accruals and term loans from the bank.

Although there has been a decline in activity, the company has maintained a comfortable liquidity position and liquidity and solvency ratios have improved implying the preparedness of the company to tap the next upturn in the business cycle. In the current year, the first quarter was also very slow though things are looking to normalize in the coming quarters.

H. Human Resources/Industrial Relations

The Company has always valued its human resources. It believes in the unlimited potential of each of its staff. Dedicated and efficient employees are great assets of the Company and the most important ingredient for achieving good performance. During the financial year, the overall industrial relations remained cordial in the Company.

ASHNOOR TEXTILE MILLS LIMITED

I. Accounting Treatment

The financial statements of the Company have been prepared to comply with the Indian Accounting standards ('Ind AS'), including the rules notified under the relevant provisions of the Companies Act, 2013. The Company had prepared the Financial Statements for the previous year by complying same Accounting Standards.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor’s responsibilities for the audit of the Financial Statements section of our report. We are independent of the Company in accordance with the code of ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI’s code of ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information other than the Financial Statements and Auditors’ Report thereon

The Company’s management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company’s annual report, but does not include the

ASHNOOR TEXTILE MILLS LIMITED

financial statements and our auditors' report thereon. Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the Standalone financial statements

The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance, changes in equity and Cash Flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process

Auditor's Responsibility for the Audit of the Standalone financial statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

ASHNOOR TEXTILE MILLS LIMITED

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Companies Act 2013, we give in the Annexure-A a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

ANNEXURE B TO THE AUDITORS' REPORT

Report on the Internal Financial Controls Under Clause (I) of sub section (3) of Section 143 of The Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of Ashnoor Textile Mills Limited ("the Company") as of March 31, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for the Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note of Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit.

We conducted our audit in accordance with Guidance Note of Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material aspects.

Our audit involves performing procedures to obtain audit evidence about adequacy of the internal financial controls over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

ASHNOOR TEXTILE MILLS LIMITED

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed reasonable assurance regarding the reliability of financial reporting and preparation of financial statements for external purpose in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting included those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and disposition of the assets of the company; (2) provide reasonable assurance that transaction are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of the Management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detections of unauthorized accusation, use, or disposition of the company's assets that could have a material effect on the financial statement.

Inherent Limitations of Internal Financial Control over Financial Reporting

Because of the inherent limitations of internal financial control over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of internal financial control over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the company has, in all material respects, an adequate the internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note of Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

ASHNOOR TEXTILE MILLS LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

NOTE NO – 1

SIGNIFICANT ACCOUNTING POLICIES

a) Corporate Information

Ashnoor Textile Mills Limited “the Company” was incorporated on January 21, 1984 under the Companies Act 1956. The registered office of the Company is located at Behrampur, Khandsa Village, Gurgoan Haryana- 122001. The main objective of the Company is to manufacture and export of white terry towel.

b) Basis of Preparation and Presentation

- i. The financial statements have been prepared on the historical cost and accrual basis of accounting and are in compliance with the Indian Accounting Standards (referred to as “Ind AS”) notified under section 133 of the Companies (Indian Accounting Standards) Rules, 2015 (as amended) and applicable provisions of the Companies Act, 2013.
- ii. Upto the year ended March 31, 2017, the Company has prepared its financial statements in accordance with the requirement of Indian Generally Accepted Accounting Principles (GAAP), which includes Standards notified under the Companies (Accounting Standards) Rules, 2006 and considered as “Previous GAAP”.
- iii. These financial statements are the Company’s first Ind AS standalone financial statements. Company’s financial statements are presented in Indian Rupees (‘), which is also its functional currency.

c) Property, plant and equipment

- i. Property, plant and equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.
- ii. Subsequent costs are included in the asset’s carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.
- iii. Expenses incurred relating to project, net of income earned during the project development stage prior to its intended use, are considered as pre - operative expenses and disclosed under Capital Work - in - Progress.

d) Depreciation

- i. Depreciation on Fixed Assets has been provided on Straight Line Method at the rates and in the manner prescribed in Schedule II of the Companies Act, 2013..
- ii. Depreciation on additions to fixed asset during the year has been provided on pro rata basis from the date of such addition.
- iii. The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

ASHNOOR TEXTILE MILLS LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

- iv. Gains or losses arising from derecognition of a property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognized.
- v. Depreciation on amount, added to/reduced from the cost of asset consequent to increase/decrease in liability towards creditors for capital goods, due to change in foreign exchange rate, is provided prospectively for the remaining life of the assets at the rates on which concerned asset has been depreciated so far.

e) Impairment of Assets

The **Carrying** amounts of assets are reviewed at each balance sheet if there is any indication of impairment based on internal/external factors. If any indications exist the recoverable value of assets is estimated. An Impairment loss is recognized whenever the carrying amount of an assets is exceeds its recoverable amount, the latter being greater of net selling price and value in use.

f) Capital Work in Progress

Expenditure incurred during construction period on Survey/ Studies/ Investigation/ Consultancy/ Administration/ Depreciation/ Interest etc and other expenditures during construction period is capitalized and treated as Capital-work-in-progress.

g) Use of Estimates

The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts of revenue, expense, assets and liabilities and disclosures relating to contingent liabilities on the date of the financial statements. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates is recognised in the period in which the estimate is revised and in any future period affected.

h) Cash and Cash Equivalent

Cash comprises cash on hand and demand deposits. The Company considers cash equivalents as all short term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

i) Cash Flow Statement

Cash flow Statement is prepared in accordance with the indirect method, whereby net profit/(loss) before tax is adjusted for the effects of transactions of a non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the company are segregated.

j) Finance Cost

- i. Borrowing costs include exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

ASHNOOR TEXTILE MILLS LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

- ii. Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.
- iii. All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

k) Inventories

- i. Inventory of raw material, packing material, fuels, consumables, dyes and chemicals, are valued on Lower of Cost and Net Realizable Value. Cost is calculated on First in First out (FIFO) basis of costing and is net of subsequently recoverable duties and taxes.
- ii. Stock in progress is valued at Lower of Cost and Net Realizable Value. Costs include raw material cost, ascertained on the basis of average cost of purchases, and direct cost incurred up to the stage of production of Grey Yarn, processing and fabrication. Inventory lying for more than six months is valued at half of cost of production.
- iii. Finished goods are valued at Lower of Cost and Net Realizable Value. Cost includes raw material cost, ascertained on the basis of average cost of purchases, and direct cost. Old inventory lying for more than six months is valued at half of cost of production. Inventory of rejected finished goods is valued at Net Realizable Value.
- iv. Inventory of carpets and trading items is valued on lower of cost and net realizable value.
- v. Inventory of waste is valued on net realizable value.
- vi. Stores and Spares are charged to expenses on purchase and no inventory is maintained.

l) Investments

Long Term investments are valued at cost. Provision for decrease in market value of the short-term investment is created in the books as unrealized losses.

m) Retirement Benefits

Retirement benefits have been accounted for on accrual basis. Provision of Gratuity is created for the employees who became eligible after completing five years of services under the Payment of Gratuity Act, 1972. Provision of Gratuity has not been provided on the managerial remuneration.

n) Provisions, contingent liabilities and contingent assets

- i. A provision is recognized when an enterprise has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.
 - ii. Where it is not probable that an outflow of economic benefits will be required or the amount cannot be estimated reliably, the obligation is disclosed as contingent liability in notes to accounts, unless the probability of outflow of economic benefits is remote.
 - iii. Contingent Assets are not recognised in the financial statements but are disclosed, where an inflow of economic benefit is probable.
 - iv. These are reviewed at each balance sheet date and are adjusted to reflect the current management estimate.
-

ASHNOOR TEXTILE MILLS LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

o) Revenue Recognition

- i. Sale is recorded on CIF value inclusive of freight, insurance and excise duty recovered from the customers. Sale is recognized on the date of dispatch of goods from factory.
- ii. Export Sale is recorded at the foreign currency exchange rate prevailing on the date of the transaction.
- iii. Sales are recorded on invoice value net of discounts and rebates.

p) Foreign Currency Transactions

- iv. Expenses and Income in foreign exchange are accounted for at the rates prevailing on the date of transactions and exchange differences on settlement of transaction are taken to the Profit and Loss Account.
- v. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date.
- vi. Exchange differences arising on settlement or translation of monetary items are recognised in Statement of Profit and Loss except to the extent of exchange differences which are regarded as an adjustment to interest costs on foreign currency borrowings that are directly attributable to the acquisition or construction of qualifying assets, are capitalized as cost of assets.

q) Taxation

Deferred Tax:

Deferred tax is recognized, on timing differences, being the difference between taxable and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognized if there is virtual certainty that there will be sufficient future taxable income available to realize such losses.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Current Tax

Current tax is determined as the amount of tax payable in respect of taxable income for the year. The Company's current tax is calculated using tax rate that has been enacted or substantially enacted by the end of the reporting period.

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognized as an asset in the Balance Sheet when it is probable that future economic benefit associated with it will flow to the Company

ASHNOOR TEXTILE MILLS LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

r) Financial Instruments

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the financial instruments.

On initial recognition, financial assets and financial liabilities are recognised at historical cost that are attributable to the acquisition or issue of financial assets and financial liabilities. In case of financial assets and financial liabilities which are recognised at fair value through profit and loss (FVTPL), its transaction costs are recognised in Statement of Profit and Loss.

A. Financial assets:

All regular way purchases or sales of financial assets are recognised and derecognized on a settlement date basis. After initial recognition, financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets

a. Classification and Measurement of Financial assets (other than Equity instruments)

i. Financial assets at Amortised Cost:

Financial assets that meet the following conditions are subsequently measured at amortised cost using Effective Interest Rate method (EIR):

- the asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows; and
- the contractual terms of the asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on the principal amount outstanding.

ii. Financial assets at Fair Value through Other Comprehensive Income (FVTOCI)

A financial asset is measured at FVTOCI if both the following conditions are met:

- The objective of the business model is achieved both by collecting contractual cash flows and selling the financial asset; and
- the contractual terms of the asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on the principal amount outstanding.

iii. Financial assets at fair value through profit or loss (FVTPL)

A financial asset is measured at FVTPL unless it is measured at amortised cost or FVTOCI, with all changes in fair value recognised in Statement of Profit and Loss.

b. Impairment of financial assets

- i. Subsequent to initial recognition, the Company recognizes expected credit loss (ECL) on financial assets measured at amortised cost. ECL on such financial assets, other than loan assets, is measured at an amount equal to life time expected losses.
- ii. The impairment requirements for the recognition and measurement of ECL are equally applied to Loan asset at FVTOCI except that ECL is recognised in other comprehensive income and is not reduced from the carrying amount in the balance sheet.

ASHNOOR TEXTILE MILLS LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

iii. Impairment of Loan Assets and commitments under Letter of Comfort (LoC):

The Company measures ECL on loan assets at an amount equal to the lifetime ECL if there is credit impairment or there has been significant increase in credit risk (SICR) since initial recognition. If there is no SICR as compared to initial recognition, the Company measures ECL at an amount equal to 12-month ECL. When making the assessment of whether there has been a SICR since initial recognition, the Company considers reasonable and supportable information, that is available without undue cost or effort. If the Company measured loss allowance as lifetime ECL in the previous period, but determines in a subsequent period that there has been no SICR since initial recognition due to improvement in credit quality, the Company again measures the loss allowance based on 12-month ECL. ECL is measured on individual basis for credit impaired loan assets, and on other loan assets it is generally measured on collective basis using homogenous groups.

iv. The impairment losses and reversals are recognised in Statement of Profit and Loss.

c. De-recognition of financial assets

- i. The Company derecognizes a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.
- ii. On de-recognition of a financial asset in its entirety, the difference between the asset's carrying amount and the sum of the consideration received and receivable, and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity, is recognised in Statement of Profit and Loss if such gain or loss would have otherwise been recognised in Statement of Profit and Loss on disposal of that financial asset.

B. Financial liabilities:

- i. All financial liabilities other than derivatives and financial guarantee contracts are subsequently measured at amortised cost using the effective interest rate (EIR) method. EIR is determined at the initial recognition of the financial liability. EIR is subsequently updated for financial liabilities having floating interest rate, at the respective reset date, in accordance with the terms of the respective contract.

ii. De-recognition of financial liabilities

The Company derecognizes financial liabilities when, and only when, the Company's obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability derecognized and the consideration paid and payable is recognised in Statement of Profit and Loss.

s) Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market

ASHNOOR TEXTILE MILLS LIMITED

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

participants would take those characteristics into account when pricing the asset or liability at the measurement date.

Fair value for measurement and/or disclosure purposes in these standalone financial statements is determined on such basis, except for share-based payment transactions that are within the scope of Ind AS 102 – Share based Payments, leasing transactions that are within the scope of Ind AS 17 - Leases, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 - Inventories or value in use in Ind AS 36 – Impairment of Assets.

In addition, for financial reporting purposes, fair value measurements are categorized into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- Level 1 : Quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company can access at the measurement date;
- Level 2 : Inputs other than quoted prices included within Level 1, that are observable for the asset or liability, either directly or indirectly; and
- Level 3 : Inputs for the asset or liability that are not based on observable market data (unobservable inputs).

t) Earning Price Per Share

Basic earnings per share are computed by dividing the net profit after tax by the weighted average number of equity shares outstanding during the period. Diluted earnings per shares is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving basic earnings per shares and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

The company restricts its fixed income investments in liquid securities carrying high credit rating.

(d) Fair value of financial assets and financial liabilities :

The following table presents the fair value hierarchy of financial assets and liabilities measured at fair value on a recurring basis

Particulars	Fair Value Hierarchy (Level)	As At March 31, 2023
Financial Assets		
(i) Cash and Cash Equivalents	Level 3	285.62
(ii) Trade Receivables	Level 3	3,017.75
(iii) Investment in Mutual Fund and Shares	Level 1	1,276.67
(iv) Investment in Unit Linked and Shares	Level 1	92.96
Financial Liabilities		
(i) Borrowings	Level 3	7,091.82
(ii) Trade Payables	Level 3	88.60

The fair value of remaining financial assets and liabilities approximate with the carrying amount recognized in the financial statements. There was no transfer between Level 1, Level 2 and Level 3 in the year. The carrying amount of financial assets and financial liabilities measured at amortised cost in the Ind AS financial statements are a reasonable approximation of their fair value since the Company does not anticipate that carrying value would be significantly different from the values that would eventually be received or settled.

The fair value of trade receivables, trade payables and other current financial assets and liabilities is considered to be equal to the carrying amounts of these items due to their short-term nature.
