CM to campaign for NDA in Bihar Assembly polls

PIONEER NEWS SERVICE
New Delhi

In her third visit to poll-bond Bihar, Delhi Chief Minister Rekha Gupta will campaign for the NDA candidates in over a dozen constituencies in the State for three days.

The Chief Minister left for Bihar on Monday evening. Over the next three days, the BJP's lone woman Chief Minister will seek support for National Democratic Alliance (NDA) candidates across the State, said a statement from the Delhi Chief Minister's Office (CMO).

She will be accompanied by senior leaders of the BJP and its alliance partners. In addition to public meetings, the Chief Minister will also take part in road shows, it said. She will address rallies, hold roadshows, and meet party workers.

This will be the Chief Minister's third visit to Bihar for election campaigning. In the next three days, she will address gatherings in 12 to 15 constituencies, including areas where polling is scheduled for November 6 and November 11.

She will address a public meeting in Bankipur Assembly constituency, after reaching the State capital Patna.

She will also campaign in Siwan, Barh, Buxar, and nearby areas on November 4.

On 5th of November, her

campaign will cover the Gaura Bauram, Arwal, Gaya City and Aurangabad constituencies.

She will campaign in Bhagalpur, Warisaliganj, Hissua and Dinara constituencies on November 6 and return to Delhi by night, added the statement.

Party insiders said her visit is aimed at energising the party's base and reaching out to urban and women voters, a segment she has been credited with mobilising effectively in Delhi.

The BJP's Bihar unit has described the campaign as 'decisive' for several closely contested constituencies where NDA

allies are banking on the Chief Minister's outreach to women and youth.

Senior BJP functionaries said that the Delhi Chief Minister's participation reflects the national leadership's effort to project strong women leaders in the campaign.

"Her presence adds energy to the ground campaign. She connects well with women voters and young people, which is crucial in this election," said a Bihar BJP leader involved in the tour's planning.

Her campaign in Bihar, combining mass meetings, street interactions and social media outreach, is seen as part of the BJP's

broader strategy to bring Delhi's political figures into national campaigns ahead of the 2026 State polls.

The 243-member Bihar Assembly will go to polls in two phases on November 6 and 11, and the counting of votes will be taken up November 14.

Rekha Gupta who belongs to the trader community, was given preference over other contenders for the Chief Minister's post after the BJP's victory in the Delhi polls held in February.

She led her Government's major outreach to migrant community from Bihar during the recent Chhatra festival celebrations in Delhi.

Yamuna to be clean, free-flowing in 3 years: Verma

PIONEER NEWS SERVICE
New Delhi

Delhi Water Minister Parvash Sahib Singh Verma on Monday announced that the Yamuna River will be clean and free-flowing within the next three years. He said the Delhi Government is working on a large scale to ensure this, with full support from the Centre.

He was attending the two-day Yamunotsav 2025, a public awareness programme organised by the Delhi Government and NGO Yamuna Sansad at Vasudeh Ghat.

"This promise is not just a claim," he said. "It is backed by faith and commitment—we have the full budget support from the central Government and the strong leadership of Chief Minister Rekha Gupta. Officers are working day and night. Every Delhiite's dream of a clean Yamuna will soon become reality," he added.

Taking a swipe at the Opposition, Verma said, "Arvind Kejriwal failed to do what we are doing now. He wonders how this Government is achieving what he could not. When

the issues he used to politicise are resolved one by one, his politics will end."

Delhi BJP president Virendra Sachdeva, who also participated in the event, said that the BJP came to power in Delhi due to "the blessing of Yamuna".

"It is Yamuna Maa's blessing that we are in power today," he said. "The Delhi Government is working with seriousness and sincerity. In just eight months, results are visible this year, devotees could take a holy dip during Chhatra Puja," he added.

Sachdeva said the Government is committed to making the Yamuna both

aviral (free-flowing) and nirmal (clean). He added that the discussions at the ongoing Yamuna Conclave would help guide further policy decisions. On the second day of Yamunotsav, scientists and environmental experts discussed the pollution crisis and possible solutions during the Yamuna Conclave. Speakers agreed that the Yamuna no longer provides ecological services to Delhi due to severe pollution and the loss of its natural flow. "The key is to restore environmental flow; without that, no amount of cleaning will last," experts said. Sessions covered the river's history,

present condition, and scientific interventions. Among the speakers were Delhi University professor Radheshyam Sharma, environmentalist Dr. Faiyaz Khudusar, researcher Debadiyoti Sinha, water conservationist Sanjay Singh, and others.

Jagadguru Shankaracharya Swami Amritanand Dev Tirth also attended the conclave. He said that modern science is only now acknowledging what Indian scriptures taught centuries ago. Citing the Nobel Prize-winning research on the benefits of fasting, he said, "Our traditions already held the knowledge that cleaning the Yamuna is not only a scientific need but also a moral duty," he further added.

The day began with a "water band" performance by 101 Jal Sahelis (water women) from Bundelkhand, who showcased their community's fight against water revival. Sanjay Singh, national coordinator of the Jal Jan Jodo Abhiyan, said their initiative had successfully revived small rivers, ponds, and wells in Bundelkhand.

PWD issues new arbitration rules, fixes liability

PIONEER NEWS SERVICE
New Delhi

The Public Works Department (PWD) has issued fresh arbitration guidelines under which the liability of officers will be identified and responsibility fixed, in any projects where cost escalates, according to the standard operating procedure.

Earlier this year, the department removed the arbitration clause from its contracts and tenders, which means in case of any dispute between

the PWD and a private contractor, the matter will be dealt with only in the courts. However, it continues to deal with claims arising from old agreements.

"In all arbitration cases where awards of the arbitrator go against the department, detailed reasons and lapses, if any, on the part of concerned officials due to which the awards have gone against the department should be examined in detail by the chief engineer concerned," the new SOP

released on October 31, Stated. The chief engineer is required to send recommendations to the administrative secretary regarding fixing responsibility and initiating action against the erring officers if the amount of the arbitral award exceeds 10 per cent of the work cost, it added.

The PWD, which executes several infrastructure projects for client departments such as health, education, and judicial, has to secure funds from the respec-

tive departments to pay arbitration awards, if any, decided against the Government.

The Government said in the Barapullah Phase 3 project, it lost ₹300 crore because the PWD did not file an appeal against the arbitration order, allowing the private company to benefit.

The PWD has also directed its officials to ensure that client departments pay for arbitration awards in old cases. If they refuse, those departments would be made parties in court proceedings.

MCD asks RWAs to use Bhalswa landfill soil

PIONEER NEWS SERVICE
New Delhi

The Municipal Corporation of Delhi (MCD) has urged RWAs to visit the site of Bhalswa landfill and use the soil for filling vacant in their neighbourhoods. The initiative was announced on Monday by MCD Leader of the House Parvash Sahib during an inspection visit to the site. The initiative is aimed at promoting reuse of waste material while reducing waterlogging and improving sanitation in residential colonies.

The inert soil, a by-product of the ongoing waste processing and bio-mining work at Bhalswa, will be provided free of cost by the MCD to RWAs or institutions willing to transport at least five dumpers or trucks of soil, amounting to more than 200 metric tonnes.
